1. Every coupon holder is entitled to receive a bonus in the amount stipulated in the coupon terms.
2. Bonus received by a coupon holder can be credited to either a new trading account or the one that has been already funded with the Fixed Bonus or the Welcome Bonus of 30% or 55% of the deposit.
3. The Client confirms that he/she will use the bonus provided by the coupon conditions in his/her own interest and not in the interest of any of the immediate family members, relatives or acquaintances.
4. The bonus received by the coupon holder cannot be withdrawn from an account if the conditions specified in Clause 7 are not satisfied. However, the profit derived from the bonus can be withdrawn without any limitations provided that all the terms of the present Agreement are fulfilled.
5. The Client agrees that in case of any funds withdrawal from the trading account, the bonus will be cancelled in full.
6. The Company reserves the right to cancel bonus crediting without prior notice and without explaining the reasons. Therefore, we strongly recommend that you refrain from factoring in bonus funds when calculating profitability of your trading strategy. The Company is not responsible for any consequences of bonus cancellation, including the Stop Out cases, as the given bonus remains the Company's entire property until the Client takes possession of the bonus by opening the required number of lots specified in Clause 7 of the present Agreement.
7. Coupon Bonus can be withdrawn after a certain number of InstaForex lots have been accumulated on a trading account (1 market lot equals 10 InstaForex lots) equaling X*5, where X is the bonus amount in USD.
8. The Client can get the Coupon Bonus only once.
9. The Company reserves the right to amend or modify the campaign terms without prior notice.
10. The official language of the Agreement is English. In case of variant readings of a translated version and the Agreement in English, the Agreement in English is considered a prior reference standard.
